Measurement A

Place PeckerMeter on TOP of your hard dick and tuck this corner against your pubic bone just above the base of your shaft. Read the closest RED number.

Your reading for A: _____

punch
out hole

Measurement B

Wrap PeckerMeter snugly around your shaft so that the punched hole is on top. It needs to be wrapped tightly- don't cheat now. Read the nearest BLUE number you see through the hole.

Your reading for B: _____
